## Introduction

*"Why, man, he doth bstride the narrow world  
Like a Colossus; and we petty men  
Walk under his huge legs, and peep about  
To find ourselves dishonorable graves.  
Men at some time are masters of their fates:  
The fault, dear Brutus, is not in our stars,  
But in ourselves, that we are underlings."  
Julius Caesar (1599) act 1, scene 2 Shakespeare*

The subject of Fate or Destiny has triggered many a philosophical argument. What is destiny? Are the details of our lives pre-destined? How much free will do we really have? These are imponderable questions. This report does not offer the answers. Rather it gives us some signposts to help us on our life journey.

When meteorologists forecast the weather we understand that they are not telling us how to live our lives. Rather they are giving us information that may help us make our own decisions. As far as the weather is concerned our major decisions are whether or not to dress warmly or to take an umbrella. The astrological system of Transits is offering us much the same information. It is giving us an indication of the emotional and intellectual weather of our lives. It is up to us to decide our own destiny.

When using this set of interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection of what is happening to the individual whose transits are being interpreted, as people do experience conflicting desires, events and circumstances in their lives. It is the responsibility of the astrologer to synthesise these apparent contradictions in order to present a cohesive and realistic interpretation of the dilemmas of the chart.

Each entry in this report relates to an astrological event that affects the natal chart for this individual. The entries are sorted by the exact date on which each event occurs, and the period of time around this date during which the events are considered to be in effect is shown in parentheses on the same line. Note that due to occasional retrograde motion of some planets, some events may be exact on two or more dates, and in this case all such dates are listed on the same line. Also, any events which are not exact within the report period, but whose period of effectiveness overlaps with the report period are included.

TRANSITING URANUS CONJUNCTION RADIX CHIRON - Sensitivity is a key element during this time as all of your senses are heightened. This can be exciting as you feel charged with an electric lifeforce ready to explore new territories sure in the knowledge that you have many gifts to share with the world. You feel alive and sensitive to both your own and other people's needs.

However, this can also be a painful time, particularly if you have a lot of fear which causes you to hesitate and remain stuck in old patterns. If this is the case then you would do well to use this time to explore past experiences which have sparked fear and distrust. Once these are healed you will see life in a new light and will be ready to express your full potential in the world.

**16 Apr 1981 (31 Mar 1981 to 1 May 1981)**

TRANSITING CHIRON SQUARE RADIX PLUTO - It is time to face any deeply-buried emotional hurts from the past in order to heal them and move into a new and more joyful period of your life. Consciously your life may go on as if nothing has happened, but deep within your psyche changes are occurring which seem almost too overwhelming. It is as if a volcano is erupting deep within you with somewhat frightening effects. It is also possible that something will occur in your life to spark these subconscious reactions. It is best to consider carefully before taking any action that may result in regret. Rebirthing and other deeply-searching forms of therapy can be healing. Others of your age group are also experiencing the effects of this transit. Therefore it is also an opportune moment to share your feelings and insights.

**27 May 1981 (9 May 1981 to 14 Jun 1981)**

TRANSITING JUPITER SQUARE RADIX URANUS - During this transit you tend to feel irritable and frustrated as you want to break free of past restrictions. Rebellion can be a major problem, particularly if you feel that something or someone is standing in your way. The trouble is that you have your sights set unrealistically high and lack your normal powers of discrimination. Life takes on a reckless quality as you crave excitement. It would be better if you could make the most of new and exciting opportunities while showing some restraint and wisdom.

**27 May 1981 (10 May 1981 to 13 Jun 1981)**

TRANSITING JUPITER SQUARE RADIX JUPITER - This can be a time when you forget to look before you leap. You feel confident of achieving your goals but may not exercise the appropriate caution. This can also be a time when you feel as though you are living life in the fast lane. It is important to slow down and use some old-fashioned common sense before you take up opportunities that are coming your way right now.

**29 Jul 1981 and 26 Sep 1981 (3 Jul 1981 to 22 Oct 1981)**

TRANSITING CHIRON OPPOSITION RADIX SUN - Memories and dreams play an important role during this phase of your life and you need to take note of any hidden messages. You may find a common thread in the memories and dreams that are surfacing at the moment. You may also have some unexpected visitors from your early life. This is a great opportunity to lay to rest any unresolved disputes or childhood hurts. The more that you can resolve past problems, the more you are able to achieve your aspirations. In fact you may discover a hidden talent during this phase. Therefore you would be well advised to make the most of any opportunities that arise for learning new skills, having fun in new pastimes or experiencing new friends and associates. Any or all of these may spark a new direction in your life. Of course, you may feel that past conflicts or upsets are better left in the past. As long as they are not affecting your present decisions then this may be true, however; it is likely that anything that emerges right now is in need of attention. If you feel upset by these occurrences, take the time to gently remind yourself of the benefits of healing emotional rifts. You may also benefit from reminding yourself that you are no longer the same person who suffered pain previously. Your current skills are likely to be more than enough to cope with the current events and people challenging you. The positive side of this transit is that it changes the way you see and express yourself. You may discover hidden skills you never knew you possessed, sparking a whole new field of learning ultimately providing a great source of healing. You have the chance to heal wounds, physical and/or emotional, and realign your identity with your true purpose.

**9 Sep 1981 (4 Sep 1981 to 14 Sep 1981)**

TRANSITING JUPITER OPPOSITION RADIX MIDHEAVEN - It is time to reap the rewards of a comfortable home and loving family. This is a beneficial time for achieving your personal goals with a view to making life more comfortable with the help of your family. You are likely to enjoy the support of your family during this phase, either from close family members or through expanding your relationship with extended family members. A relative may come to stay with you encouraging a fresh approach to your life. Alternatively you may decide to have children, or give birth to a child during this phase. Changes in your home life are likely to be beneficial, giving you increased opportunities for a sense of well-being. You may also make changes to your home. For instance you may renovate your home including more space for relaxation and hobbies or you may clear out cupboards, rooms, storage areas thus paving the way for more enjoyment at home. Alternatively you may feel the urge to move to larger and more accommodating house or invest in property. Grown children may leave home giving you a sense of more space and freedom (even if you have a few tears as well). Whatever plans you make your efforts to improve your home environment and family relationships are likely to have benefits for your general sense of well being and thus benefit all areas of your life. This is a positive period.

**13 Sep 1981 (8 Sep 1981 to 17 Sep 1981)**

TRANSITING JUPITER CONJUNCTION RADIX NEPTUNE - This is a time of heightened intuition during which you feel tempted to explore a more spiritual or artistic side of life. Even if religions have never before seemed inviting, you may now start to ponder the meaning of life and explore different religious avenues. You may be tempted to go on some sort of spiritual quest. However, one of the problems with this transit can be that you are seeing everything through rose-tinted glasses. In other words you may be vulnerable to the charlatans of the world as you are extraordinarily sensitive during this transit. You may also feel the urge to take on some charity work. While this can be a beneficial act, you need to beware of wasting your energy on people who do not want to be helped, but would prefer to remain victims of society. Also beware of being lured into the world of addiction through drugs of any kind. You would do better to explore spiritual pursuits, metaphysical subjects, or latent artistic talents without entering schemes that could have long-term ramifications.

**23 Sep 1981 (19 Sep 1981 to 28 Sep 1981)**

TRANSITING JUPITER CONJUNCTION RADIX VENUS - Right now you are in a phase that favours all relationships. Fortune is smiling on you, particularly in the areas of romance and money. This is a wonderful time for romance. You are in love with life and your joy is contagious. If you are married, then your marriage is likely to flourish as you rekindle the flames of love. Make the most of this period by renewing your efforts to communicate with your spouse in a fun loving manner. If you are unmarried, then you may meet someone and fall in love. In fact you are likely to attract many favourable relationships, ranging from friendships to benefactors at work. You enjoy social occasions and others enjoy your company. You are in for some peaceful and happy moments. Therefore it is

a good time to accept social invitations and take part in fun activities. Your finances are also likely to improve during this period. Investments may pay off. Influential people may bestow gifts. You need to make the most of the opportunities that arise during this phase without squandering your luck on ill-gotten gains or unappreciative friends and love interests.

**10 Oct 1981 (1 Oct 1981 to 18 Oct 1981)**

TRANSITING SATURN OPPOSITION RADIX MIDHEAVEN - About seven years ago you set certain changes in motion. Since then you have been steadily working towards personal happiness, financial rewards and better self-expression. You have developed a strong sense of self and sown some seeds for the future. You are now faced with the opportunity to consolidate these changes, or to reassess. You are currently required to take time to settle down and lay the foundations for the next phase of your life. This could simply mean working steadily and quietly on a project, but it is more likely to be a need to focus on matters close to home, including your family and your house. If you are married with dependants then these loved ones may require your considered time and attention. Alternatively you may be planning to start a family. It is possible that a family member comes to live with you, adding to your responsibilities at home. Perhaps your father, or other members of your extended family, may be demanding your attention. Your living space may also require attention. If you have been moving around or do not own your own home then perhaps you are ready to settle down. If you are already comfortable in your living quarters, you may discover that your house needs renovations or additions. It is the ideal time to make these changes. On the other hand you may choose to move to a new home, one more suited to the next phase of your life. You may choose to start a real-estate portfolio or to start a business working from home or even to move your home business to offices. Whatever your personal situation, you would be wise to put in the extra time and effort required for this next phase of your life. If you can concentrate your efforts on this private area of your life then you stand to benefit greatly in the future. Whether you realize it or not, you are currently building an emotional and physical foundation for the next phase of your life.

**16 Oct 1981 (8 Oct 1981 to 25 Oct 1981)**

TRANSITING SATURN CONJUNCTION RADIX NEPTUNE - During this time you are cut off from other people. Negatively this can be because you are feeling lonely and failing to reach out to others, or positively because you are using the time for some serious contemplation. Beware of your own gloom at this time. You may feel that many areas of your life have failed leaving you with an overwhelming sense of hopelessness. There is a reason for these negative thoughts and feelings. This transit is demanding that you see your life in a different light, a more spiritual rather than physical light. At first this can be depressing as you realise the hopelessness of pursuing purely personal ambitions which have no greater purpose. However, by the end of the transit you will have incorporated a larger and more selfless view and may have a clearer vision for the future. Contemplation and meditation can prove very useful during this time.

1981											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

**4 Nov 1981 (27 Oct 1981 to 13 Nov 1981)**

TRANSITING SATURN CONJUNCTION RADIX VENUS - It is time to get serious about your relationships. In particular your marital union comes under close scrutiny. If you are already married then you are likely to reassess your commitment to your spouse in the light of your history with this person. If you conclude that this is indeed a strong and worthwhile bond then you make a stronger commitment to making this union work. You may decide on counselling to help resolve conflicts, or renew your marriage vows. You may also decide that you want to start a family or make a financial commitment to a home. On the other hand, you are now ready to face problems which you have let slip in the past, and anything which has stopped you feeling fulfilled within the relationship. This is the time when you are ready to break off a relationship, which falls short of your expectations. Consequently under this transit you could deepen your commitment through marriage or end the relationship after serious consideration. Your process of reassessing the associations in your life also extends to friends and colleagues. You are seriously considering the support that is offered by all of those closest to you at work and home. Consequently your social life may be somewhat restricted. You may even feel a little lonely at times as you end some friendships. Money also comes under scrutiny now. You are reassessing your finances, perhaps deciding on a budget, making investments for the future or making a large financial commitment.

**26 Nov 1981 (21 Nov 1981 to 1 Dec 1981)**

TRANSITING JUPITER TRINE RADIX URANUS - A sudden and exciting new opportunity may present itself during this transit and you are in just the mood to make the most of any break in your normal routine. Your psychic and intuitive abilities may be strong making up for any lack of practical common sense. Study, travel, technical, esoteric and scientific pursuits may also feature.

**29 Nov 1981 (24 Nov 1981 to 4 Dec 1981)**

TRANSITING JUPITER OPPOSITION RADIX MOON - Are your loved ones advising you to consider your actions more carefully of late? Perhaps you have been feeling exuberant and unwittingly making rash decisions. On the other hand your decisions may have been wise, based on your confidence and experience. Only you can know the answer to these questions. However, you would be well advised to take a few moments to consider your decisions before rushing in. Life has been pretty exciting and you are feeling happy. No one wants to deflate your enthusiasm, however; your loved ones may be asking that you slow down and consider their needs too. Therefore you may be in conflict with your loved ones as issues arise surrounding emotional needs. It may be that you or your partner is being particularly demanding during this time, or it could be that an external influence has sparked emotional insecurities. On the other hand it is also possible that you receive gifts and extra support from your friends and family during this phase. Perhaps they admire your goals and want to help you achieve them. As a result you may receive unexpected rewards. On the whole this is a happy time during which you move closer to your dreams and wishes and enjoy life.

**18 Dec 1981 (12 Dec 1981 to 24 Dec 1981)**

TRANSITING JUPITER CONJUNCTION RADIX SOUTH NODE - Relations with other people, either individuals or groups, can be stressful during this transit. It is time to reassess your connections with individuals and groups with a view to moving on with your life's purpose. Any individual or group standing in your path is liable to be set to one side, as you seek new experiences. Of course it is not easy to let go of links from the past, particularly if one feels frightened of new experiences without the safety of past alliances. If you can focus on the future rather than the past, you will discover that as one door shuts another opens.

TRANSITING JUPITER OPPOSITION RADIX NORTH NODE - Relations with other people, either individuals or groups, can be stressful during this transit. It is time to reassess your connections with individuals and groups with a view to moving on with your life's purpose. Any individual or group standing in your path is liable to be pushed out of the way, as you seek new experiences. Of course it is not easy to let go of links from the past, particularly if one feels frightened of new experiences without the safety of past alliances. If you can focus on the future rather than the past, you will discover that as one door shuts another opens. These connections are more likely to be your social or group associations rather than intimate ones. It could mean reassessing your life goals.

**27 Dec 1981 (21 Dec 1981 to 3 Jan 1982)**

TRANSITING JUPITER SQUARE RADIX ASCENDANT - On the whole you are feeling self-confident and are enjoying warm relations with other people during this period. However, you also find there are times when others are not as appreciative as they could be of your need for fun and enjoyment. Slow down a little and let others adjust to the pace as it may be you who is a little over the top in the energy department.

1981											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

**7 Jan 1982 (31 Dec 1981 to 15 Jan 1982)**

TRANSITING JUPITER CONJUNCTION RADIX MERCURY - Good news is the cornerstone of this phase because communications of all types are favoured. If you have been waiting for a positive outcome to a project, or a beneficial announcement of some sort then you are likely to receive it now. You are mentally alert and capable of quick thinking and good decisions. Influential people notice your positive attitude and aptitude and reward your efforts. Promotions at work are possible. You are also likely to benefit from any decision to study, travel, teach, write or sharpen your mental faculties. Plans to buy and sell property are likely to be satisfying. In fact any plans made now are easily executed because of your optimism and ability to see the big picture, as well as deal with details. You may also discover latent sales talents. Legal contracts and lawsuits are also likely to be favourable when undertaken now. Of course, this does depend on other astrological influences. However, if you have shown restraint and wisdom in your dealings with other people then you are likely to receive positive news.
