## Introduction

*"Why, man, he doth bstride the narrow world  
Like a Colossus; and we petty men  
Walk under his huge legs, and peep about  
To find ourselves dishonorable graves.  
Men at some time are masters of their fates:  
The fault, dear Brutus, is not in our stars,  
But in ourselves, that we are underlings."  
Julius Caesar (1599) act 1, scene 2 Shakespeare*

The subject of Fate or Destiny has triggered many a philosophical argument. What is destiny? Are the details of our lives pre-destined? How much free will do we really have? These are imponderable questions. This report does not offer the answers. Rather it gives us some signposts to help us on our life journey.

When meteorologists forecast the weather we understand that they are not telling us how to live our lives. Rather they are giving us information that may help us make our own decisions. As far as the weather is concerned our major decisions are whether or not to dress warmly or to take an umbrella. The astrological system of Transits is offering us much the same information. It is giving us an indication of the emotional and intellectual weather of our lives. It is up to us to decide our own destiny.

When using this set of interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection of what is happening to the individual whose transits are being interpreted, as people do experience conflicting desires, events and circumstances in their lives. It is the responsibility of the astrologer to synthesise these apparent contradictions in order to present a cohesive and realistic interpretation of the dilemmas of the chart.

Each entry in this report relates to an astrological event that affects the natal chart for this individual. The entries are sorted by the exact date on which each event occurs, and the period of time around this date during which the events are considered to be in effect is shown in parentheses on the same line. Note that due to occasional retrograde motion of some planets, some events may be exact on two or more dates, and in this case all such dates are listed on the same line. Also, any events which are not exact within the report period, but whose period of effectiveness overlaps with the report period are included.

### 30 Dec 2010 (1 Dec 2010 to 28 Jan 2011)

TRANSITING PLUTO TRINE RADIX SATURN - During this transit you find resources such as patience and hard work to help you achieve your ambitions, particularly in the area of your work. You now have the confidence to overcome any obstacles that have been previously in your path. A practical and sensible approach to your problems paves the way for long-awaited positive changes.

### 26 Dec 2010 and 26 Feb 2011 (10 Dec 2010 to 14 Mar 2011)

TRANSITING SATURN CONJUNCTION RADIX VENUS - It is time to get serious about your relationships. In particular your marital union comes under close scrutiny. If you are already married then you are likely to reassess your commitment to your spouse in the light of your history with this person. If you conclude that this is indeed a strong and worthwhile bond then you make a stronger commitment to making this union work. You may decide on counselling to help resolve conflicts, or renew your marriage vows. You may also decide that you want to start a family or make a financial commitment to a home. On the other hand, you are now ready to face problems which you have let slip in the past, and anything which has stopped you feeling fulfilled within the relationship. This is the time when you are ready to break off a relationship, which falls short of your expectations. Consequently under this transit you could deepen your commitment through marriage or end the relationship after serious consideration. Your process of reassessing the associations in your life also extends to friends and colleagues. You are seriously considering the support that is offered by all of those closest to you at work and home. Consequently your social life may be somewhat restricted. You may even feel a little lonely at times as you end some friendships. Money also comes under scrutiny now. You are reassessing your finances, perhaps deciding on a budget, making investments for the future or making a large financial commitment.

### 12 Jan 2011 (23 Dec 2010 to 28 Jan 2011)

TRANSITING CHIRON SQUARE RADIX CHIRON - Your experience during this transit will vary, depending on whether this is your first or second Chiron square. The first Chiron square occurs earlier in life, the second later after the Chiron opposition. If the first Chiron square is very early in your life, this is likely to be a time marked by trauma and unhappiness, possibly linked with a physical illness. If it is the second Chiron square, much later in life, it is potentially a very creative time, as by now you have a better understanding of yourself. With both the squares you are being asked to view painful experiences in your life in order to gain greater self-understanding. A healing process is involved, and as a result you may become a healer or teacher. Certainly you are being asked to put your life in order so that it reflects your inner self.

2011											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

### 12 Jan 2011 (5 Jan 2011 to 18 Jan 2011)

TRANSITING JUPITER TRINE RADIX CHIRON - Now is the time to make the most of any opportunities to lay to rest painful memories, which have haunted you in times gone by, and move into areas that are linked straight to your heart. Opportunities for learning present themselves and you may discover talents that you never knew existed. One person, an important teacher or healer may enter your life, or you could take a study course or travel. Alternatively if this transit happens later in your life, you also may have the chance to express your own teaching and healing talents, finding an appropriate avenue of expression for wisdom gained from past experience.

2011											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

### 6 Feb 2011 (11 Jan 2011 to 26 Feb 2011)

TRANSITING URANUS TRINE RADIX CHIRON - Now is the time to explore new territories sure in the knowledge that you have many gifts to share with the world. You feel alive and sensitive to both your own and other people's needs, and doors will open as a result. It is likely that you will be given the chance to express your true talents, taking yourself and others by surprise. It may be that you are not aware of your own talents as sometimes our gifts are so naturally a part of us, that we are not even aware of them. They are as obvious as the nose on our face to others, but not necessarily so to ourselves. Therefore during this time it is a good idea to keep an open mind to all possibilities.

2011											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

### 22 Jan 2011 (16 Jan 2011 to 27 Jan 2011)

TRANSITING JUPITER SQUARE RADIX JUPITER - This can be a time when you forget to look before you leap. You feel confident of achieving your goals but may not exercise the appropriate caution. This can also be a time when you feel as though you are living life in the fast lane. It is important to slow down and use some old-fashioned common sense before you take up opportunities that are coming your way right now.

2011											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

### 22 Jan 2011 (16 Jan 2011 to 27 Jan 2011)

TRANSITING JUPITER SQUARE RADIX URANUS - During this transit you tend to feel irritable and frustrated as you want to break free of past restrictions. Rebellion can be a major problem, particularly if you feel that something or someone is standing in your way. The trouble is that you have your sights set unrealistically high and lack your normal powers of discrimination. Life takes on a reckless quality as you crave excitement. It would be better if you could make the most of new and exciting opportunities while showing some restraint and wisdom.

**13 Feb 2011 (16 Jan 2011 to 11 Mar 2011)**

TRANSITING NEPTUNE SQUARE RADIX CHIRON - This can be a time of pain and confusion. It could be that you are physically in pain, suffering from an illness or accident; or perhaps you are suffering from emotional pain such as grieving for a loved one. Either way it is important that you are treated with kindness and love. It is also important to use this time to learn more about the cause of the pain. This could mean delving into alternative healing methods, or it could mean seeking answers to emotional problems. Anything that can shine a light on your troubles is helpful.

**7 Feb 2011 (23 Jan 2011 to 22 Feb 2011)**

TRANSITING CHIRON TRINE RADIX URANUS - Now is the time to take a chance and explore new and unusual experiences, to tackle life's problems in an inventive and original way. You are eager to branch out and express your true potential with your sights keenly focussed on the future rather than the past. You feel alive and energetic, prepared to venture forth into unexplored territories, particularly those involving metaphysics, science and computers. And chances are that you will be presented with plenty of opportunities. You may even discover healing or teaching talents that you never knew existed. Make the most of these energies while they last, although do not throw caution entirely to the wind.

**18 Feb 2011 (13 Feb 2011 to 23 Feb 2011)**

TRANSITING JUPITER TRINE RADIX ASCENDANT - This is a favourable time for your health and happiness. Right now you can enjoy joyful occasions, benevolent friends and pleasurable pursuits. You may travel abroad, study a subject that has always fascinated you, achieve success and awards, or simply sit back and enjoy peace of mind. You may enjoy socialising more right now, perhaps with people in the higher echelons of society. Your social contacts may benefit your life. People in high places may bestow gifts on you. If you are married then your spouse may be particularly supportive. Now is an ideal time to start a healthy diet or exercise regime, particularly as you are apt to put on weight through too much good food and socialising. Self-improvement courses may also attract you, as you feel generally good about yourself and your relationships. You may also take on a teaching role during this time. Generally speaking this is a time where you learn more about yourself, experience the benefits of good relations and have the ability to make your mark on the world.

2011											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

**10 Mar 2011 (19 Feb 2011 to 27 Mar 2011)**

TRANSITING URANUS SQUARE RADIX JUPITER - During this time you will crave excitement and feel frustrated by anything or anyone who restricts your freedom. The trouble is that right now you are not in the mood to moderate your desires. You want to break out of any area of your life which has fallen into a routine, and woe betide anyone or anything that stands in your way. New people, new events, new opportunities and new horizons are all extremely inviting, but you lack the judgement to discriminate. You would do best to remember a couple of adages: "Don't throw the baby out with the bathwater" and "moderation in all things".

2011											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

**10 Mar 2011 (20 Feb 2011 to 28 Mar 2011)**

TRANSITING URANUS SQUARE RADIX URANUS - This transit occurs around the age of 20-21 and again in your early to mid-60s. Hence its connection with young adulthood and the age of retirement. It usually brings a desire for freedom, an urge to break away from authority.

If you are in the younger age group, this transit can see a more rebellious energy as you seek greener pastures. Your need for self expression may take over your common sense and you need to beware of taking risks without appropriate discrimination. The more your individual freedom has been oppressed by authority figures, the greater your desire to break free. However, you would do well to strike the right balance between developing your own individual rights and considering the rights of others.

If you are in the older age group this can time can manifest itself more as a need to break free of your responsibilities and to brighten up life. If you have fallen into a rut in the past, you will now feel the urge to break out. Perhaps you feel that you have given a considerable amount of time and energy to your family, work and society. Now it is your turn. For this reason you will consider many new and exciting ventures such as starting again in a different city or country, moving home, or retiring from your life's work. While this is the ideal time to make a move, it is also important that you consider your options carefully.

2011											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

**2 Apr 2011 and 7 Aug 2011 (3 Mar 2011 to 14 Sep 2011)**

TRANSITING NEPTUNE TRINE RADIX URANUS - This is a positive time of opportunities to embrace more excitement in your life. You have the spiritual strength to take risks which will bring you closer to your dreams. This is a particularly good time for metaphysical pursuits, or any activity which uses your own unique talents.

2011											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

**31 Mar 2011 (18 Mar 2011 to 13 Apr 2011)**

TRANSITING SATURN CONJUNCTION RADIX NEPTUNE - During this time you are cut off from other people. Negatively this can be because you are feeling lonely and failing to reach out to others, or positively because you are using the time for some serious contemplation. Beware of your own gloom at this time. You may feel that many areas of your life have failed leaving you with an overwhelming sense of hopelessness. There is a reason for these negative thoughts and feelings. This transit is demanding that you see your life in a different light, a more spiritual rather than physical light. At first this can be depressing as you realise the hopelessness of pursuing purely personal ambitions which have no greater purpose. However, by the end of the transit you will have incorporated a larger and more selfless view and may have a clearer vision for the future. Contemplation and meditation can prove very useful during this time.

2011											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

**24 Mar 2011 (20 Mar 2011 to 28 Mar 2011)**

TRANSITING JUPITER CONJUNCTION RADIX MIDHEAVEN - You have reached the culmination of a cycle in your life and are ready to reap the rewards of seeds sown earlier. Your career and home life are particularly influenced by this phase. The rewards depend largely on whether or not you have sown your seeds on fertile ground. If you have squandered opportunities in the past, not paid attention to details or shirked your responsibilities then you could find this a difficult time. However, if it is far more likely that you reap the riches of past actions. You have opportunities to expand your career choices either through study, promotion, new job opportunities or a change of direction. You may even become a parent, if this is one of your life goals. You may study or travel in order to expand your professional choices. Whatever the circumstances you are feeling confident and now is a good time to broaden your professional horizons. Beware only of over-confidence that could lead to taking on too much or making unwise choices. Consider your career prospects and professional responsibilities carefully. Your home life may also benefit as a result of your advances in your career. Take care not to neglect your family and everyone should enjoy this worthwhile phase.

2011											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

**27 Mar 2011 (23 Mar 2011 to 1 Apr 2011)**

TRANSITING JUPITER OPPOSITION RADIX NEPTUNE - This transit can have the effect of making you feel that you are caught in one of life's mazes. Whatever exciting direction you wish to explore there seems to be no clear path, and yet there is a strong urge to continue exploring. In some cases you may feel that someone else or an external event is confusing matters. However, you are idealistic and have unrealistic expectations and would be wise not to accuse others just yet. It may be that someone is deceiving you, but now is not the time to take action. Bide your time and all will become clear. It would also be best to avoid making long-term decisions right now as your own judgement may be clouded. Rather remain as down-to-earth as possible while pushing for spiritual growth.

2011											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

**12 Apr 2011 (25 Mar 2011 to 6 May 2011)**

TRANSITING CHIRON TRINE RADIX SOUTH NODE - Opportunities come but once in a lifetime, or so the saying goes. Now is the time for you to be open to opportunities to discover and express your special gifts. If you believe that everyone has a purpose in this world then now is your chance to discover yours and make the most of the doors that open. It is also possible that you are given the chance to mend broken bridges during this time, which will in turn pave the way for a brighter future.

2011											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

**11 Apr 2011 (29 Mar 2011 to 25 Apr 2011)**

TRANSITING SATURN OPPOSITION RADIX MIDHEAVEN - About seven years ago you set certain changes in motion. Since then you have been steadily working towards personal happiness, financial rewards and better self-expression. You have developed a strong sense of self and sown some seeds for the future. You are now faced with the opportunity to consolidate these changes, or to reassess. You are currently required to take time to settle down and lay the foundations for the next phase of your life. This could simply mean working steadily and quietly on a project, but it is more likely to be a need to focus on matters close to home, including your family and your house. If you are married with dependants then these loved ones may require your considered time and attention. Alternatively you may be planning to start a family. It is possible that a family member comes to live with you, adding to your responsibilities at home. Perhaps your father, or other members of your extended family, may be demanding your attention. Your living space may also require attention. If you have been moving around or do not own your own home then perhaps you are ready to settle down. If you are already comfortable in your living quarters, you may discover that your house needs renovations or additions. It is the ideal time to make these changes. On the other hand you may choose to move to a new home, one more suited to the next phase of your life. You may choose to start a real-estate portfolio or to start a business working from home or even to move your home business to offices. Whatever your personal situation, you would be wise to put in the extra time and effort required for this next phase of your life. If you can concentrate your efforts on this private area of your life then you stand to benefit greatly in the future. Whether you realize it or not, you are currently building an emotional and physical foundation for the next phase of your life.

2011											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

**6 Apr 2011 (2 Apr 2011 to 10 Apr 2011)**

TRANSITING JUPITER OPPOSITION RADIX VENUS - You are struggling to get what you want from your loved one. In fact relationships of all kinds, particularly with women, may be a source of difficulty right now. The trouble is that you or your loved one are expecting too much. There has to be a balance between the adventures of life and the routine daily demands. Right now one of you is seeking only the adventure and this is causing tension. It is often hurtful when one person in a close relationship upsets the balance, so it is understandable if you are feeling rejected by your loved one. The best approach may be to give the other person a little bit of time to settle down. They may need a little bit of freedom before returning to a more balanced approach to the relationship. On the other

hand it could be that the other person's insensitivity to your relationship is the straw that breaks the camel's back, as far as you are concerned. In astrology Jupiter is considered to be a positive influence. Therefore it is more likely that things will settle down with positive results from this topsy-turvy time.

You are keen to take the initiative and move ahead with your plans. Perhaps you have been planning to travel abroad or to study martial arts? On the other hand you may have been waiting for the go ahead on a special project or for a promotion at work. Now you receive the good news and are able to step into action. Whatever the scenario you are optimistic and ready to go. You are clear that you are heading in the right direction and feel confident of success. And it's true. You do have the drive and good fortune to achieve success during this transit. This is an excellent time to spend plenty of time and energy on your favourite project, with an assurance of reaping what you have sown. You may also enjoy channelling some of your energy into your favourite sporting activities, where you are also assured of success. Although it is not as powerful as some other Jupiter transits, it is a time of optimism and good fortune. You may find that the opportunities that arise are connected with travel, study, and anything that expands your horizons.

Your contentment is obvious to your loved ones, and they want to spend time with you. Right now you know how to have a good time, and indulge yourself. The only concern is the tendency to go to extremes. You need to be wary of over-indulgence in all things. The temptation is to express your feelings and indulge yourself with no restraint or consideration for others. However, if you can keep a balanced outlook then you and your loved ones benefit from your generous and optimistic outlook. It is also possible that you use this time to make your life, in particular, your home more comfortable. This could simply be purchasing more comfortable furniture and furnishings, or you may make plans to move to a home more suited to your current needs. Your family life may expand in some way. Perhaps a family member will come to stay or perhaps you will give birth to a child. Either way you are likely to welcome these changes. This is a positive move, as long as you take everyone's needs into consideration.

TRANSITING JUPITER OPPOSITION RADIX MERCURY - Generally speaking this is a positive time during which you receive good news, positive outcomes to transactions and easy execution of your goals and plans. You are open-minded and eager to share ideas with other people. You are confident in your own opinions. However, you do have to be careful how you go about your business. On the one hand you are confident and optimistic and other people respond positively with special gifts, support and favours. However, you also have the tendency to be grandiose, lacking tact and diplomacy. In other words, if you are not careful, you can be opinionated and blunt. Others may be quick to point out these faults, which you find irritating rather than helpful. Before you know it your positive dealings have spiralled into a maze of mis-communications. This is easily avoided if you show some restraint in your communications with others. Once you have learned diplomacy then you are likely to benefit from anything that involves contracts, transactions, study, teaching, travel and the media.

TRANSITING CHIRON TRINE RADIX SOUTH NODE - Opportunities come but once in a lifetime, or so the saying goes. Now is the time for you to be open to opportunities to discover and express your special gifts. If you believe that everyone has a purpose in this world then now is your chance to discover yours and make the most of the doors that open. It is also possible that you are given the chance to mend broken bridges during this time, which will in turn pave the way for a brighter future.

TRANSITING SATURN OPPOSITION RADIX MIDHEAVEN - About seven years ago you set certain changes in motion. Since then you have been steadily working towards personal happiness, financial rewards and better self-expression. You have developed a strong sense of self and sown some seeds for the future. You are now faced with the opportunity to consolidate these changes, or to reassess. You are currently required to take time to settle down and lay the foundations for the next phase of your life. This could simply mean working steadily and quietly on a project, but it is more likely to be a need to focus on matters close to home, including your family and your house. If you are married with dependants then these loved ones may require your considered time and attention. Alternatively you may be planning to start a family. It is possible that a family member comes to live with you, adding to your responsibilities at home. Perhaps your father, or other members of your extended family, may be demanding your attention. Your living space may also require attention. If you have been moving around or do not own your own home then perhaps you are ready to settle down. If you are already comfortable in your living quarters, you may discover that your house needs renovations or additions. It is the ideal time to make these changes. On the other hand you may choose to move to a new home, one more suited to the next phase of your life. You may choose to start a real-estate portfolio or to start a business working from home or even to move your home business to offices. Whatever your personal situation, you would be wise to put in the extra time and effort

required for this next phase of your life. If you can concentrate your efforts on this private area of your life then you stand to benefit greatly in the future. Whether you realize it or not, you are currently building an emotional and physical foundation for the next phase of your life.

TRANSITING SATURN CONJUNCTION RADIX NEPTUNE - During this time you are cut off from other people. Negatively this can be because you are feeling lonely and failing to reach out to others, or positively because you are using the time for some serious contemplation. Beware of your own gloom at this time. You may feel that many areas of your life have failed leaving you with an overwhelming sense of hopelessness. There is a reason for these negative thoughts and feelings. This transit is demanding that you see your life in a different light, a more spiritual rather than physical light. At first this can be depressing as you realise the hopelessness of pursuing purely personal ambitions which have no greater purpose. However, by the end of the transit you will have incorporated a larger and more selfless view and may have a clearer vision for the future. Contemplation and meditation can prove very useful during this time.

**11 Sep 2011 (2 Sep 2011 to 20 Sep 2011)**

TRANSITING SATURN CONJUNCTION RADIX VENUS - It is time to get serious about your relationships. In particular your marital union comes under close scrutiny. If you are already married then you are likely to reassess your commitment to your spouse in the light of your history with this person. If you conclude that this is indeed a strong and worthwhile bond then you make a stronger commitment to making this union work. You may decide on counselling to help resolve conflicts, or renew your marriage vows. You may also decide that you want to start a family or make a financial commitment to a home. On the other hand, you are now ready to face problems which you have let slip in the past, and anything which has stopped you feeling fulfilled within the relationship. This is the time when you are ready to break off a relationship, which falls short of your expectations. Consequently under this transit you could deepen your commitment through marriage or end the relationship after serious consideration. Your process of reassessing the associations in your life also extends to friends and colleagues. You are seriously considering the support that is offered by all of those closest to you at work and home. Consequently your social life may be somewhat restricted. You may even feel a little lonely at times as you end some friendships. Money also comes under scrutiny now. You are reassessing your finances, perhaps deciding on a budget, making investments for the future or making a large financial commitment.

It could be that you are physically in pain, suffering from an illness or accident; or perhaps you are suffering from emotional pain such as grieving for a loved one. Either way it is important that you are treated with kindness and love. It is also

important to use this time to learn more about the cause of the pain. This could mean delving into alternative healing methods, or it could mean seeking answers to emotional problems. Anything that can shine a light on your troubles is helpful.

TRANSITING JUPITER OPPOSITION RADIX MERCURY - Generally speaking this is a positive time during which you receive good news, positive outcomes to transactions and easy execution of your goals and plans. You are open-minded and eager to share ideas with other people. You are confident in your own opinions. However, you do have to be careful how you go about your business. On the one hand you are confident and optimistic and other people respond positively with special gifts, support and favours. However, you also have the tendency to be grandiose, lacking tact and diplomacy. In other words, if you are not careful, you can be opinionated and blunt. Others may be quick to point out these faults, which you find irritating rather than helpful. Before you know it your positive dealings have spiralled into a maze of mis-communications. This is easily avoided if you show some restraint in your communications with others. Once you have learned diplomacy then you are likely to benefit from anything that involves contracts, transactions, study, teaching, travel and the media.

TRANSITING CHIRON TRINE RADIX URANUS - Now is the time to take a chance and explore new and unusual experiences, to tackle life's problems in an inventive and original way. You are eager to branch out and express your true potential with your sights keenly focussed on the future rather than the past. You feel alive and energetic, prepared to venture forth into unexplored territories, particularly those involving metaphysics, science and computers. And chances are that you will be presented with plenty of opportunities. You may even discover healing or teaching talents that you never knew existed. Make the most of these energies while they last, although do not throw caution entirely to the wind.

You shoulder your responsibilities while at the same time making the most of new opportunities to expand your world. You feel confident in many areas of your life, as you use your good judgement to make decisions that have the potential for long-term success. It is a time when you can tap into your own wisdom. Business dealings may prosper. The only drawback could be that you take this time for granted and let opportunities slip through your fingers. In other words "wise and considered action" is what is needed.

TRANSITING URANUS SQUARE RADIX URANUS - This transit occurs around the age of 20-21 and again in your early to mid-60s. Hence its connection with young adulthood and the age of retirement. It usually brings a desire for freedom, an urge to break away from authority.

If you are in the younger age group, this transit can see a more rebellious energy as you seek greener pastures. Your need for self expression may take over your common sense and you need to beware of taking risks without appropriate discrimination. The more your individual freedom has been oppressed by authority figures, the greater your desire to break free. However, you would do well to strike the right balance between developing your own individual rights and considering the rights of others.

If you are in the older age group this can time can manifest itself more as a need to break free of your responsibilities and to brighten up life. If you have fallen into a rut in the past, you will now feel the urge to break out. Perhaps you feel that you have given a considerable amount of time and energy to your family, work and society. Now it is your turn. For this reason you will consider many new and exciting ventures such as starting again in a different city or country, moving home, or retiring from your life's work. While this is the ideal time to make a move, it is also important that you consider your options carefully.

TRANSITING URANUS SQUARE RADIX JUPITER - During this time you will crave excitement and feel frustrated by anything or anyone who restricts your freedom. The trouble is that right now you are not in the mood to moderate your desires. You want to break out of any area of your life which has fallen into a routine, and woe betide anyone or anything that stands in your way. New people, new events, new opportunities and new horizons are all extremely inviting, but you lack the judgement to discriminate. You would do best to remember a couple of adages: "Don't throw the baby out with the bathwater" and "moderation in all things".

TRANSITING JUPITER CONJUNCTION RADIX MOON - This is a feel-good transit. In other words you feel good about yourself, your life and your loved ones. As a result you are particularly warm and loving. Your contentment is obvious to your loved ones, and they want to spend time with you. Right now you know how to have a good time, and indulge yourself. The only concern is the tendency to go to extremes. You need to be wary of over-indulgence in all things. The temptation is to express your feelings and indulge yourself with no restraint or consideration for others. However, if you can keep a balanced outlook then you and your loved ones benefit from your generous and optimistic outlook. It is also possible that you use this time to make your life, in particular, your home more comfortable. This could simply be purchasing more comfortable furniture and furnishings, or you may

make plans to move to a home more suited to your current needs. Your family life may expand in some way. Perhaps a family member will come to stay or perhaps you will give birth to a child. Either way you are likely to welcome these changes. This is a positive move, as long as you take everyone's needs into consideration.

TRANSITING JUPITER TRINE RADIX JUPITER - Lucky in love and life can be the catchphrase for this transit. Although it is not as powerful as some other Jupiter transits, it is a time of optimism and good fortune. Do not pass up opportunities, but use your discrimination regarding the opportunities that come your way. You may find that the opportunities that arise are connected with travel, study, and anything that expands your horizons.
