Introduction

*"Why, man, he doth bstride the narrow world
Like a Colossus; and we petty men
Walk under his huge legs, and peep about
To find ourselves dishonorable graves.
Men at some time are masters of their fates:
The fault, dear Brutus, is not in our stars,
But in ourselves, that we are underlings."
Julius Caesar (1599) act 1, scene 2 Shakespeare*

The subject of Fate or Destiny has triggered many a philosophical argument. What is destiny? Are the details of our lives pre-destined? How much free will do we really have? These are imponderable questions. This report does not offer the answers. Rather it gives us some signposts to help us on our life journey.

When meteorologists forecast the weather we understand that they are not telling us how to live our lives. Rather they are giving us information that may help us make our own decisions. As far as the weather is concerned our major decisions are whether or not to dress warmly or to take an umbrella. The astrological system of Transits is offering us much the same information. It is giving us an indication of the emotional and intellectual weather of our lives. It is up to us to decide our own destiny.

When using this set of interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection of what is happening to the individual whose transits are being interpreted, as people do experience conflicting desires, events and circumstances in their lives. It is the responsibility of the astrologer to synthesise these apparent contradictions in order to present a cohesive and realistic interpretation of the dilemmas of the chart.

Each entry in this report relates to an astrological event that affects the natal chart for this individual. The entries are sorted by the exact date on which each event occurs, and the period of time around this date during which the events are considered to be in effect is shown in parentheses on the same line. Note that due to occasional retrograde motion of some planets, some events may be exact on two or more dates, and in this case all such dates are listed on the same line. Also, any events which are not exact within the report period, but whose period of effectiveness overlaps with the report period are included.

TRANSITING URANUS CONJUNCTION RADIX CHIRON - Sensitivity is a key element during this time as all of your senses are heightened. This can be exciting as you feel charged with an electric lifeforce ready to explore new territories sure in the knowledge that you have many gifts to share with the world. You feel alive and sensitive to both your own and other people's needs.

However, this can also be a painful time, particularly if you have a lot of fear which causes you to hesitate and remain stuck in old patterns. If this is the case then you would do well to use this time to explore past experiences which have sparked fear and distrust. Once these are healed you will see life in a new light and will be ready to express your full potential in the world.

17 Apr 2013 (30 Mar 2013 to 12 May 2013)

TRANSITING CHIRON SQUARE RADIX MERCURY - This is a time of painful communications, in which you are either forced to face some hurtful words from another person or discover yourself delivering a few home truths. It is also possible that you will have to make some painful decisions, which can only be reached by delving deep inside yourself for the answers. Study, and particularly examinations, may be stressful. Through the mental stress of this transit you can experience an ultimate sense of healing. Perhaps you gain a greater sense of your own abilities in the area of communications, or gain a new understanding of those close to you. You may even discover writing talents, as you are forced to remain open to new insights and understandings.

3 May 2013 (28 Apr 2013 to 7 May 2013)

TRANSITING JUPITER TRINE RADIX URANUS - A sudden and exciting new opportunity may present itself during this transit and you are in just the mood to make the most of any break in your normal routine. Your psychic and intuitive abilities may be strong making up for any lack of practical common sense. Study, travel, technical, esoteric and scientific pursuits may also feature.

14 May 2013 (1 May 2013 to 29 May 2013)

TRANSITING SATURN SQUARE RADIX SOUTH NODE - The people who enter your life now are likely to play a significant role in shaping your destiny. For instance perhaps you are a youngster and a sibling is born during this period. This sibling is likely to make an important contribution. Alternatively perhaps you meet someone special during this phase. You may marry this person. Decisions that you make during this time are also likely to significantly affect the next phase of your life. You may decide to move neighbourhoods or build a new home in your own neighbourhood. Whoever you meet and whatever you decide is likely to affect you for at least fourteen years. You may also feel compelled to say "goodbye" to friends or leave employment. In other words you are faced with choices about eliminating obstacles on your life's path in order that you may better fulfil your purpose in the future. You may find this frightening, but situations arise now that force you to face your fears. This transit is part of the assimilation and elimination process required to help us further our purpose in this world. You may also be excited by this process. It is similar to the process that migrants experience when they leave one country. There is the sadness of leaving all that is familiar - loved ones, home, security etc. However, there is also the excitement about a future that could hold rich rewards and exciting new experiences. If you believe in the process of reincarnation and karma, then you will know that this is a very karmic period. It offers you the chance to put to right past wrongs and to move forward with your life purpose.

15 May 2013 (11 May 2013 to 20 May 2013)

TRANSITING JUPITER CONJUNCTION RADIX ASCENDANT - This is a favourable time for your health and happiness. Right now you can enjoy joyful occasions, benevolent friends and pleasurable pursuits. You may travel abroad, study a subject that has always fascinated you, achieve success and awards, or simply sit back and enjoy peace of mind. Even if you are not usually a social or optimistic person, right now you are feeling sunny and playful. For this reason your social life is likely to expand. You enjoy socialising more right now, perhaps with people in the higher echelons of society. Your social contacts benefit your life as other people respond to your sunny nature. You are popular. People in high places may bestow gifts on you. If you are married then you spouse may be particularly supportive. You can enjoy a more relaxed and joyful union. Your marriage is more fun. If you are not married, then you may meet a potential partner. Either way you are feeling good about yourself. Now is an ideal time to start a healthy diet or exercise regime, particularly as you are apt to put on weight through too much good food and socialising. Self-improvement courses may also attract you, as you feel generally good about yourself and your relationships. You may also take on a teaching role during this time. Generally speaking this is a time where you learn more about yourself, experience the benefits of good relations and have the ability to make your mark on the world.

You feel the urge to take off for greener pastures and opportunities may indeed present themselves. However, you would be wise to carefully consider the consequences of any decisions made during this transit as you may be overly optimistic. Use the time to expand your horizons, but look before you leap into any permanent changes. Also be careful not to take on too many new projects

20 Jun 2013 (16 Jun 2013 to 25 Jun 2013)

TRANSITING JUPITER SQUARE RADIX MARS - You have plenty of drive and energy right now. This can be directed in to personal or work projects or perhaps a sport. You are keen to take the initiative and move ahead with your plans. Perhaps you have been planning to travel abroad or to study martial arts? On the other hand you may have been waiting for the go ahead on a special project or for a promotion at work. Now you receive the good news and are able to step into action. You are clear that you are heading in the right direction and feel confident of success. And it's true. You do have the drive and good fortune to achieve success during this stage. This is an excellent time to spend plenty of time and energy on your favourite project, with an assurance of reaping what you have sown. You may also enjoy channelling some of your energy into your favourite sporting activities. However, during this phase you are in danger of going over the top in your efforts to achieve your personal goals. You may jeopardise your success through impatience with yourself and others, thus alienating those who are in a position to support your goals. Perhaps you are having difficulty seeing things in perspective and fail to listen to those closest to you when they say that you are being a little rash and stubborn. You feel that you have put so much time and energy into certain areas of your life, and now others are threatening your success with their unnecessary pessimism. This may or may not be true. It is possible that others are threatened by your success; but it also may be that you need to slow down a little and exercise some restraint. The lesson is all things in moderation. You can achieve success during this stage, as long as you maintain your diplomatic skills.

TRANSITING PLUTO SQUARE RADIX CHIRON - Deep healing and deep pain are both possible during this transit. Something or someone will challenge you in ways that you had not thought possible. TRANSITING JUPITER SQUARE RADIX PLUTO - Tensions arise as you struggle achieve your goals. It seems as though other people and external events are deliberately plotting to thwart your every move. However, it may be that you are going overboard in your attempts to get your own way. The trouble is that you want to make great changes in your life, but lack the necessary tolerance and patience to get the timing right. While taking action can certainly have positive effects in the long run, you would also be wise to find the right balance of confidence and patience.

TRANSITING JUPITER OPPOSITION RADIX SUN - Success is within your reach during this phase. You are reaching a culmination point in your life whereby you can achieve your goals and make a positive contribution to society. You want to expand your horizons and have the ability to do so. Financial and spiritual riches are within your grasp through your own efforts and through benefactors. You are keen to make the most of the doors that are opening. However, you need to be wary of a lack of discretion and restraint. It could be your own lack of discretion or it could be someone else in your life. Either way excesses are to be avoided. Currently you feel tempted to pursue your goals no matter what the cost to yourself or your loved ones. It would be better if you could use this time to pursue your own goals, waiting patiently for things to run their own course. Opportunities will come and you will be able to take advantage of them in good time, without having to force matters. Opportunities could be connected to a religious, philosophical or philanthropic activity, or to travel or study plans. The lesson is to show temperance for the time being. "All good things come to those who wait," could be a timely motto.

You see what has been achieved and what remainsto be done. In some cases you can feel disillusioned at how little you have achieved.
