Introduction

*"Why, man, he doth bestride the narrow world
Like a Colussus; and we petty men
Walk under his huge legs, and peep about
To find ourselves dishonorable graves.
Men at some time are masters of their fates:
The fault, dear Brutus, is not in our stars,
But in ourselves, that we are underlings."
Julius Caesar (1599) act 1, scene 2 Shakespeare*

The subject of Fate or Destiny has triggered many a philosophical argument. What is destiny? Are the details of our lives pre-destined? How much free will do we really have? These are imponderable questions. This report does not offer the answers. Rather it gives us some signposts to help us on our life journey.

When meteorologists forecast the weather we understand that they are not telling us how to live our lives. Rather they are giving us information that may help us make our own decisions. As far as the weather is concerned our major decisions are whether or not to dress warmly or to take an umbrella. The astrological system of Transits is offering us much the same information. It is giving us an indication of the emotional and intellectual weather of our lives. It is up to us to decide our own destiny.

When using this set of interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection of what is happening to the individual whose transits are being interpreted, as people do experience conflicting desires, events and circumstances in their lives. It is the responsibility of the astrologer to synthesise these apparent contradictions in order to present a cohesive and realistic interpretation of the dilemmas of the chart.

Each entry in this report relates to an astrological event that affects the natal chart for this individual. The entries are sorted by the exact date on which each event occurs, and the period of time around this date during which the events are considered to be in effect is shown in parentheses on the same line. Note that due to occasional retrograde motion of some planets, some events may be exact on two or more dates, and in this case all such dates are listed on the same line. Also, any events which are not exact within the report period, but whose period of effectiveness overlaps with the report period are included.

TRANSITING CHIRON CONJUNCTION RADIX MIDHEAVEN - As Chiron goes over the Midheaven in your chart you have the opportunity to bring a new spiritual dimension into your career. The path to this dimension is not necessarily easy, but it is ultimately rewarding. It may be that you lose a job, which at the time seems very painful. Later you will see that this has actually paved the way for a new healing lifestyle. On the other hand, you may now be presented with opportunities to heal and teach in your present job or offered new studies which will open up new paths for the future. In some cases you may meet a significant person who will help you on your path. Whatever the circumstances you will look back on this time as adding a spiritual dimension to your life path.

TRANSITING CHIRON OPPOSITION RADIX NEPTUNE - Circumstances are forcing you to slow down and reflect on the spiritual side of your life. It could be illness or grief that is affecting your life. Either way you need to take time out and recharge your batteries. The more you try to escape the pain, the more confused and despairing you will feel. Others of your age group are also experiencing the effects of this transit. Therefore it is also an opportune moment to share your feelings and insights.

TRANSITING JUPITER TRINE RADIX CHIRON - Now is the time to make the most of any opportunities to lay to rest painful memories, which have haunted you in times gone by, and move into areas that are linked straight to your heart. Opportunities for learning present themselves and you may discover talents that you never knew existed. One person, an important teacher or healer may enter your life, or you could take a study course or travel. Alternatively if this transit happens later in your life, you also may have the chance to express your own teaching and healing talents, finding an appropriate avenue of expression for wisdom gained from past experience.

10 May 2022 (5 May 2022 to 15 May 2022)

TRANSITING JUPITER SQUARE RADIX JUPITER - Progress can occur in certain areas of your life, and you generally move forward during this cycle. Growth often happens due to increased restlessness and an inability to accept things for how they are. Sometimes you advance due to conflict or resistance rather than an unobstructed path. You may encounter situations that challenge your belief in yourself and what you consider to be right. If you uphold what is in your best interest, then you likely will prevail despite any ordeals. Promoting what is selfish or self-serving may make it more difficult to achieve the results that you seek. This can be a time during which you feel optimistic and confident. You are likely to be enthusiastic about one or more areas of your life. On the whole your positivity is well-placed, however; you do need to make sure that you exercise some caution. It is time to listen to the "still small voice" that is in your head. Ask yourself if you are really capable of delivering all that you promise. Also ask yourself if others are capable of delivering on their promises. Listen to any small warning signals. This does not mean that you have to abandon your optimism, but rather that you need to make sure that all of the details are adhered to. Maintaining a positive outlook despite any setbacks can assist in attaining the goals that you seek and experience is invaluable. Nevertheless don't forget to look before you leap. It is important to slow down and use some old-fashioned common sense before you take up opportunities that are coming your way right now.

TRANSITING JUPITER SQUARE RADIX URANUS - During this transit you tend to feel irritable and frustrated as you want to break free of past restrictions. Rebellion can be a major problem, particularly if you feel that something or someone is standing in your way. The trouble is that you have your sights set unrealistically high and lack your normal powers of discrimination. Life takes on a reckless quality as you crave excitement. It would be better if you could make the most of new and exciting opportunities while showing some restraint and wisdom.

8 Jul 2022 and 30 Jul 2022 (30 May 2022 to 8 Sep 2022)

TRANSITING CHIRON OPPOSITION RADIX VENUS - Your relationship with your partner is a source of pain either through your partner's actions or an external event. It is true that this person or event has opened some inner wound, but you have the opportunity now to heal the past and move forward. You need to be aware of the fact that the other person or the event may not have been intended to hurt you. It is simply that they have triggered a deep, sub-conscious memory which is causing you pain. In a strange fashion this present pain is a gift as it allows you to delve deep within your own nature for solutions. This transit can be linked to emotional pain, but it is also possible that your partner or a loved one is suffering from a physical illness. Either way it is important that you nurture yourself and your loved ones. You can use many different avenues to alleviate your troubles, ranging from simply surrounding yourself with compassionate friends, to exploring alternative healing and therapies. It is important that you treat yourself and others kindly as this can be an acutely painful time. Your dreams may also hold keys to your present-day predicament. Tears may flow, but it is ultimately a time of healing and education. In some cases it is possible that your partner is undergoing a transformation, clearing old emotional wounds from their past, which positively affects your life.

Your powers of insight and understanding are heightened enabling you to unearth and heal old grudges, grievances and problems. 12 Jun 2022 (5 Jun 2022 to 20 Jun 2022)

TRANSITING JUPITER TRINE RADIX ASCENDANT - This is a favourable time for your health and happiness. Right now you can enjoy joyful occasions, benevolent friends and pleasurable pursuits. You may travel abroad, study a subject that has always fascinated you, achieve success and awards, or simply sit back and enjoy peace of mind. You may enjoy socialising more right now, perhaps with people in the higher echelons of society. Your social contacts may benefit your life. People in high places may bestow gifts on you. If you are married then you spouse may be particularly supportive. Now is an ideal time to start a healthy diet or exercise regime, particularly as you are apt to put on weight through too much good food and socialising. Self-improvement courses may also attract you, as you feel generally good about yourself and your relationships. You may also take on a teaching role during this time. Generally speaking this is a time where you learn more about yourself, experience the benefits of good relations and have the ability to make your mark on the world.

7 Aug 2022 (24 Jul 2022 to 21 Aug 2022)

TRANSITING SATURN SQUARE RADIX SUN - Right now you are entering a challenging phase of your life, but one that is very rewarding if you can exercise persistence, attention to detail and hard work. You may be given the chance to start a new and challenging project right now. You have the ability to rise to the challenge and successfully complete your task. Your success increases your standing in the community, boosts your self-esteem and opens up new windows of opportunity. In some ways you feel that you are undergoing an endurance test as you strive to work towards your goals. It is easy to forget your strengths under this transit, but patience and endurance pay off in the long run. If you try to avoid the extra responsibility then the opposite is true. You fail in the eyes of other people and therefore your self-esteem suffers and opportunities to advance your own goals diminish. It is time to shoulder your responsibilities and "put your house in order". Right now you can make the most of this period by analyzing your priorities and readjusting your schedules and goals accordingly. It may be that you will be forced to give up some of the less useful activities and plans in your life, but this will simply create the time and space for new, more rewarding, forms of self expression.

TRANSITING NEPTUNE TRINE RADIX SUN - Life has a dreamy quality during this phase. You slow down and reflect on your life so that you can embrace a more creative, artistic or spiritual lifestyle. An artistic or philanthropic project may flourish during this phase, but not business or high-powered ambitions. Your perceptions of yourself and your life are changing in subtle ways. There is a spiritual purpose and you may benefit from meditation or prayer. You may also feel an urge to spend more time in nature, art galleries or at the theatre. It is a good time for meditation, quiet reflection, or a compassionate cause. Outdoor water sports may also hold some appeal encouraging you to keep fit while enjoying lakes, oceans and rivers. In other words it is time to take an easier pace and to make sure that your life path is attuned to your most private self.

TRANSITING PLUTO SQUARE RADIX MOON - Your home and family are undergoing changes right now. These can be unsettling or exciting, or both. If you try to resist the changes then you could feel anxious. A sense of trepidation does not help. The more that you embrace shift taking place within your family, the more that you will feel excited. You have an opportunity to gain greater insight into your own emotions and those of your loved ones. Someone near and dear may be upsetting you right now, either through his or her actions or because of circumstances beyond their control. Perhaps your loved one is making changes in their life or undergoing a tough time. This makes a strong impression and you find it more difficult to disengage your own hurt feelings. On the other hand you may be feeling restless within yourself, anxious to escape your usual routine and the attention of loved ones. Either way, your usual comfort zone is being challenged and you are unsettled. Ideally you manage to go with the flow, enjoying the change of pace and gaining greater understanding of your loved ones' and your own needs. The key lesson of this event is to learn how to maintain your equilibrium no matter how challenging the circumstances. Once you have mastered this technique you feel that you can take anything in your stride.

TRANSITING JUPITER CONJUNCTION RADIX MIDHEAVEN - You have reached the culmination of a cycle in your life and are ready to reap the rewards of seeds sown earlier. Your career and home life are particularly influenced by this phase. The rewards depend largely on whether or not you have sown your seeds on fertile ground. However, if it is far more likely that you reap the riches of past actions. You have opportunities to expand your career choices either through study, promotion, new job opportunities or a change of direction. You may even become a parent, if this is one of your life goals. You may study or travel in order to expand your professional choices. Whatever the circumstances you are feeling confident and now is a good time to broaden your professional horizons. Beware only of over-confidence that could lead to taking on too much or making unwise choices. Consider your career prospects and professional responsibilities carefully. Your home life may also benefit as a result of your advances in your career. Take care not to neglect your family and everyone should enjoy this worthwhile phase.

TRANSITING JUPITER OPPOSITION RADIX NEPTUNE - This transit can have the effect of making you feel that you are caught in one of life's mazes. Whatever exciting direction you wish to explore there seems to be no clear path, and yet there is a strong urge to continue exploring. In some cases you may feel that someone else or an external event is confusing matters. However, you are idealistic and have unrealistic expectations and would be wise not to accuse others just yet. It may be that someone is deceiving you, but now is not the time to take action. Bide your time and all will become clear. It would also be best to avoid making long-term decisions right now as your own judgement may be clouded. Rather remain as down-to-earth as possible while pushing for spiritual growth.

TRANSITING JUPITER OPPOSITION RADIX VENUS - You are struggling to get what you want from your loved one. In fact relationships of all kinds, particularly with women, may be a source of difficulty right now. The trouble is that you or your loved one are expecting too much. There has to be a balance between the adventures of life and the routine daily demands. Right now one of you is seeking only the adventure and this is causing tension. It is often hurtful when one person in a close relationship upsets the balance, so it is understandable if you are feeling rejected by your loved one. The best approach may be to give the other person a little bit of time to settle down. They may need a little bit of freedom before returning to a more balanced approach to the relationship. On the other hand it could be that the other person's insensitivity to your relationship is the straw that breaks the camel's back, as far as you are concerned. In astrology Jupiter is considered to be a positive influence. Therefore it is more likely that things will settle down with positive results from this topsy-turvy time.

TRANSITING CHIRON OPPOSITION RADIX VENUS - Your relationship with your partner is a source of pain either through your partner's actions or an external event. It is true that this person or event has opened some inner wound, but you have the opportunity now to heal the past and move forward. You need to be aware of the fact that the other person or the event may not have been intended to hurt you. It is simply that they have triggered a deep, sub-conscious memory which is causing you pain. In a strange fashion this present pain is a gift as it allows you to delve deep within your own nature for solutions. This transit can be linked to emotional pain, but it is also possible that your partner or a loved one is suffering from a physical illness. Either way it is important that you nurture yourself and your loved ones. You can use many different avenues to alleviate your troubles, ranging from simply surrounding yourself with compassionate friends, to exploring alternative healing and therapies. It is important that you treat yourself and others kindly as this can be an acutely painful time. Your dreams may also hold keys to your present-day predicament. Tears may flow, but it is ultimately a time of healing and education. In some cases it is possible that your partner is undergoing a transformation, clearing old emotional wounds from their past, which positively affects your life.

29 Apr 2023 (16 Apr 2023 to 14 May 2023)

TRANSITING SATURN OPPOSITION RADIX SATURN - This is a time of reckoning. Slowly, but surely, the structure of your life changes. This is one of those times when you are forced to live with the consequences of past decisions. In particular you may like to reflect on events in your life about 15 years ago. The seeds sown during the past now come to fruition. This can be a positive time when you reap the rewards of your previous commitments. Alternatively it can be a difficult time if you have invested in unfruitful people or projects. Either way it is time to tackle situations with patience and integrity. If you are reaping rewards, there are extra responsibilities. If you are experiencing difficulties from past actions, you have to work hard to put things to right. Either way you need to rise to the challenge and face the truth. Otherwise you are likely to find this period more difficult than it needs to be. Slowly you realize that you need to shoulder your own responsibilities, however; you may also notice that other people or events seem to be holding you back from achieving your own purpose. Even though you may sometimes feel that others are blocking your path you need to tackle personal and business relationships with integrity. It is time to let go of past grievances and work towards a more positive association. The more that you can face and let go of the past, the more you will pave the way for a more stable future. A sense of humour, although difficult to find right now, can go a long way to alleviating the heavy nature of this time.
